11th May 2021

Your Client: Parking Control Management (UK) Ltd
Amount Due: £320.00
Vehicle Registration: WM13EOY

This matter has been passed to us as you have outstanding parking charge notice(s) ('PCN's') with our above named Client. We are instructed to recover the unpaid PCN's from you (full details of them having been sent to you by our Client already and which are included in the schedule below).

PCN Number	Date of Charge	Relevant Land	Current Charge Amount
PC14436843	05/04/2019	Raven Close	160.00
PC15001551	22/04/2019	Raven Close	160.00

Our Client regularly assesses all outstanding PCN's and the most effective way to recover them is through further action through other channels to obtain recovery of any unpaid PCN's. At this time, our Client wishes to avoid costly Court proceedings and would much prefer to settle this matter now.

Our Client asks that you make payment of the Amount Due/ Debt within the next 14 days. If you do not make payment of the Amount Due/ Debt by **25 May 2021** our Client will have no option but to consider further action.

Should you be in difficulty in making full payment then it may be possible for a payment plan to be agreed with you.

If you do not pay within the next 14 days, please keep our Client and ourselves updated as to your current address as we may need to correspond with you further, dependent on the further action our Client decides to take.

We would like to remind you of your ability to seek advice from one of the organisations overleaf should you need to.

Our team is ready to try to work with you to resolve this matter without the need for Court proceedings and it is important you contact us upon receipt of this letter.

Yours sincerely
