PARKING CHARGE REF NO. 2000011583917

Dear Sir/Madam,

When your vehicle remained at Westside Retail Park, LS20 on 29/10/2021, our cameras recorded it arriving at 11:21 and leaving at 15:04.

We have checked your vehicle details with the DVLA and sent you this Charge because you were the registered keeper at the time (or the registered keeper has named you as the driver).

Because your vehicle stayed longer than the allowed maximum stay period we have sent you this Parking Charge which should be paid within 28 days.

When your vehicle entered the car park the driver agreed to the terms and conditions displayed on our signs, which show how long you can stay for if you overstay of £ 100.00.

If you were not the driver then let us know their name and address and we will send them this Charge. If the vehicle was hired, please provide a signed statement confirming the hirer's name and address and a copy of the hire agreement.

You have **28 days** to pay £ 100.00 or we will accept £ 60.00 if it is paid within **14 days**.

If you don't pay within 28 days we may ask a debt recovery agent to collect it on our behalf and you will have to pay additional fees to cover the debt recovery administration costs. The easiest way to pay is by going to www.parkingchargepayment.com

CP Plus Ltd. T/A GroupNexus

Operating in accordance with the British Parking Association's Code of Practice.
