## NOTICE OF DEBT RECOVERY — Unpaid Parking Charge of £170.00

You have an unpaid parking charge and Direct Collection Bailiffs Ltd (DCBL) have been instructed to collect the outstanding balance on behalf of our Client. The parking charge was issued because the vehicle was parked in contravention of the terms and conditions outlined on the signage as agreed to by the driver when the vehicle entered and parked on private land.

To ensure no further action is taken, you should make immediate payment by scanning the QR code below. Details of other ways to pay are on the reverse of this letter. To discuss your case, please call 0203 597 3959.

## **Supreme Court Decision about Parking Charges**

A Supreme Court ruling in November 2015 reinforced that it is lawful for a parking operator to pursue payment of a correctly issued unpaid parking charge through the County Court. The case was an important test case for companies like our Client. You can find further information online at:

https://www.supremecourt.uk/cases/docs/uksc-2013-0280-judgment.pdf

At this point, you are no longer able to appeal the parking charge. Your next opportunity to dispute the charge would be if the matter was taken to Court.

## Failing to make Payment

You now have 14 days from the date of this letter to either pay the outstanding amount or call us to discuss repayment. This case is <u>not</u> subject to High Court or bailiff action, however should you fail to contact us, we will recommend to our Client the commencement of legal action against you.

Yours sincerely,
